19" 110 Cross Connection Panel

NINGBO SUMMIT TELECOM ALL RIGHTS RESERVED 2011

Summit Telecom is China leading manufacturer provides 19"110 Cross Connection Panel,110 Cross Connect Blcok,STG,Quick Connection Module and so on.

Description:
110 Cross Connection Panels provide optimum performance, interfacing multi-vendor equipment. Each panel comes with 110-type termination, while meeting and exceeding EIA/TIA TSB-40 CAT5e connecting hardware specifications. The clear numbering on both the front and back of each panel gives you a quick and easy way to identify cable runs and the high density 19in panel design will save you valuable space in your rack.

Features:

- Designed to mount to any standard 19in Rack or Cabinet
- Termination: 110-type; Size:1U, 2U,3U
- Material: Black electrostatic powder-coated steel
- Accommodates top, bottom or side cable entry
- Write-on designation label with clear holder on front and rear
- Rear cover with wire management bar to ensure proper patch cables bend radius and strain relief
